Portfolio — GitHub — LinkedIn

## SUMMARY

MERN Stack Developer with strong proficiency in **JavaScript**, **TypeScript**, **React.js**, **Next.js**, **REST API integration**, and **MongoDB**. Experienced in building responsive and scalable web applications using modern frameworks. Passionate about clean, maintainable code, performance optimization, and collaborating in fast-paced development environments. Eager to contribute to dynamic, growth-oriented teams.

## TECHNICAL SKILLS

**Languages:** HTML5, CSS3, JavaScript (ES6+), TypeScript  
**Frontend:** React.js, Next.js, Redux, Tailwind CSS, Material UI, Bootstrap5, SCSS  
**Backend / DB:** Node.js, Express.js, MongoDB, Firebase  
**Tools & APIs:** VS Code, Git, GitHub, Postman, JSON, REST APIs

## WORK EXPERIENCE

**MERN Stack Developer** — Technoviva, Bangalore *Oct 2025 – Apr 2025*

- Developed responsive and dynamic web apps using MongoDB, Express.js, React.js, and Node.js.
- Created and consumed RESTful APIs, ensuring secure and efficient data flow.
- Delivered smooth cross-device experiences with optimized code structure.

**Full Stack Developer Intern** — ExcelR Institute *2024*

- Built interactive web apps using React.js, TypeScript, and CSS.
- Focused on responsive design, accessibility, and performance.

## PROJECTS

**SK Properties** *TypeScript, SCSS, Node.js, MongoDB*

- Developed a real estate web app with secure REST APIs and modular backend.
- Designed a responsive UI using SCSS for a smooth user experience.

**Personal Blog Website** *HTML, CSS, JavaScript*

- Managed and developed a blog reflecting personal experiences and interests.
- Shared stories via diverse platforms with engaging content strategy.

**Pre-School Website** *React.js, Material UI, CSS*

- Built a fully responsive preschool site with playful, child-friendly design.
- Ensured seamless navigation and usability on all devices.

**Grocery Shopping App** *HTML, CSS, JavaScript*

- Led development of a user-focused grocery shopping app.
- Simplified shopping with user-friendly interface and optimized features.

## EDUCATION

**Bharath Education Society, Bangalore**  
Bachelor of Computer Application (BCA) *May 2020 – Mar 2023*  
CGPA: 7.37

## CERTIFICATIONS

**Full Stack Web Development Internship** *ExcelR Institute*  
Covered MERN stack, REST API integration, and frontend performance optimization.
